● **RECOMMENDATIONS**

Højbjerg, 19.04.2019

Vi Dang, 150491-1558, has been employed as a Graphic Designer for the design company 2K/Denmark AS from 28.02.19 to 19.04.19 as a freelancer.

Vi is not only a skilled designer, she is also committed, conscientious and independent. She is fully proficient in the relevant Adobe applications and has a keen eye for color and design.

It was a huge pleasure to have her in the company; I give my very best recommendations.

Best regards
